

## **Grayson HOTP Tennis Classic Covid-19 Rules**

- 1) We will provide hand sanitizers and masks for those who need these items. Restroom facilities are available with soap and water for washing hands.
- 2) If you show any symptoms of illness, please do not come to the tennis courts.
- 3) Everyone will be asked to register and sign an injury/illness waiver before playing in the tournament.
- 4) Please bring a check or exact change.
- 5) We will not be able to provide chairs (the bleachers will also not be available) so it is recommended that you bring your own chair, this includes tennis players who want to take a chair onto the court for your match.
- 6) We will have bottled water for players, but someone from the committee will be handing out the water.
- 7) Concessions are planned.
- 8) Spectators are to stay 6 feet apart except for a family unit.
- 9) Players will only be allowed to play in 2 events this year.
- 10) Each match will be given a new can of tennis balls. Players should switch sides of the net at opposite ends and limit contact during and after the match. Please place your racquet bag or other items at the fence behind the court in order to minimize contact with players on other courts at the changeovers.

\*If CDC and local health department rules change by the time the tournament begins, those new rules will be followed.
